

Housing Authority of the City of Fort Myers Construction Jobs

Community and Supportive Services (CSS) is the “people side” of HOPE VI.

Who receives priority for Section 3 employment:

- # Residents in public and assisted housing
- # Residents in the area where the HUD financial assistance is spent (must meet income guidelines)
- # Participants in HUD YouthBuild programs
- # Homeless Persons

Section 3 is a starting point to obtain employment, training and contracting opportunities. Contractors selected to work on HUD funded projects are required to the greatest extent feasible, provide employment and training opportunities to low income persons
